Dear Friends,

I have just joined

Amnesty International and the group I belong to is concerned about the 'disappearances' in the Lebanon. I have heard about the disappearance of 'Issam' Ali Al-Masri on 18th September 1982 at al-Barjawi checkpoint with his friend 'Emad' Ahyyan.

I hope that Amnesty by its continuing work urging the Lebanese Government to investigate all missing persons and take responsibility for their plight, can help in some way.

Please let us know anything else you can about 'Issam' Ali Al Masri.

Yours sincerely

MISS COLLETTE ELCOCK
