28th April 2000

Dear Mrs. Halwani,

I am a primary school headteacher from Somerset, England and a member of Amnesty International UK Section Teachers and Academics Network and I am writing to you to let you know that I have written to President Elias al- Hrawi, Prime Minister Rafiq al- Hariri, and the Minister of Justice about your husband, 'Adnan Musbah Halwani.

I know that I have little to offer you except my warm wishes and my support for your cause which I hope will result in the justice you desire.

I wish you well for your future.

Yours sincerely

Roger Whitewick.
