Dear Mrs. Odette Adib,

How are you? This letter is the first one we write to you. We are the one of Japanese group of Amnesty International. We have just started to establish the whereabouts of your children, Mr. Richard Albert Salem and Miss. Christine Albert Salem. We are posting letters to the Lebanese Government and Hizbullah with this letter.

We would like to introduce ourselves to you in this time as a first correspondence. Messages from each member of Amnesty International Sapporo 28 Group are inclosed. We hope that our act encourages both of you.

We will keep writing to you. We would be so pleased if you write back to us sometime.

All we would like to hear how you are.

Your Sincerely,

Amnesty International Sapporo 28 Group
