Dear Mrs. Adib,

I am writing on behalf of Amnesty International Northern Suburbs Group to inform you that Amnesty International has appointed our group to continue in the efforts to discover the whereabouts of Richard and Christine. We send you our sympathy and intend to do everything in our power to end this injustice. We will keep you informed of our action and would appreciate any information or advice that you believe we will find useful.
We look forward to hearing from you soon.

Yours Sincerely

Jeremy Brennan
