Dear Ms. Halawani:

Please find enclosed the second publication of the National Human Development Report (NHDR) project *Toward a Citizen's State* entitled *A 101 Stories to Tell: Civic Initiatives in Public Life*. We would also like to take this opportunity to thank you for sharing your story with us and thus making this project and book happen. To this end we have also included a certificate of participation as a token of our appreciation. We hope that this collection of initiatives that are driven by the will of citizens to make a positive difference in each other's lives and in Lebanon at large will be an inspiration to all. In time perhaps they will indeed become the "endorsed" history book of Lebanon.

Regards,

Maha Yahya
