Dear Friends,

I have just joined Amnesty International and the group I belong to is concerned about the 'disappearances' in the Lebanon. I have heard about the plight of Nasser Muhammad Abu, how he was abducted on the 17th September 1982 by the Lebanese Forces at Galerie Sam'aa.

I hope that Amnesty by its continuing work, demanding a full investigation of all 'disappearances' and urging the Lebanese government to take responsibility for the fate of Nasser Muhammad Abu, will help you in some way. Please let us know if we can help in any ^{other} particular way.

Yours sincerely

MISS COLLETTE ELCOCK
