Dear Mrs Halwani

My name is Elizabeth Dean and I am a member of Amnesty International. I am 29 years old and work as a domestic cleaner, although I am a keen writer and hope one day to have enough money to write full time. I attend my local Amnesty group, Brentwood and Billericay, and we have just been given your husband, 'Adnan's, action file to work on.

Our group is a lively place, with people of differing ages and backgrounds working together for human rights. We will do our upmost to ascertain 'Adnan's whereabouts, bring those responsible to justice and ensure that the occurence of 'disappearances' ends in Lebanon. The most important thing we will do is to make sure that 'Adnan's case is never forgotten.

I can't even begin to imagine how difficult the last 16 years must have been for you and your family. I can only hope that the knowledge that people all over the world are working on behalf of your husband will give you strength and comfort.

Take heart and remember that you are not alone.

Yours sincerely

*Elizabeth Dean*
